SCORCHED EARTH

UCS CATID	Vendor Category	Sample Name	Description
DSGNDron	DRONE	Dangerous Path DISTORTED	Harsh dissonant drone with layered feedback and aggressive tonal distortion.
DSGNDron	DRONE	Dusty Ringer DISTORTED	Clipping feedback drone with ringing distortion and chaotic high-frequency resonance.
DSGNDron	DRONE	Eerie Travels DISTORTED	Rhythmic distorted feedback drone with grinding layers and wide stereo motion.
DSGNDron	DRONE	Hollow Horizon DISTORTED	Processed feedback drone with scooped tone and gated rhythmic distortion.
DSGNDron	DRONE	Iron Howl DISTORTED	Dissonant feedback drone with phasing noise textures and underlying low-end hum.
DSGNDron	DRONE	Neverending Travels DISTORTED	Screaming feedback drone with endless echoes, layered distortion, and long reverberant tails.
DSGNDron	DRONE	Rusted Airwaves DISTORTED	Dark distorted feedback drone with muffled tone and guitar-like resonance.
DSGNDron	DRONE	Rusted Pulses DISTORTED	Chaotic feedback drone with screeching highs, distorted resonance, and low-end pulse.
DSGNDron	DRONE	The Last Note DISTORTED	Screeching tonal feedback drone with sustained distortion and provocative resonance.
DSGNDron	DRONE	Tonal Voltage DISTORTED	Gritty distorted feedback drone with dark tonal grit and grinding resonance.
DSGNDron	DRONE	Dangerous Path	Brooding ambient drone with dark tonal layers and subtle feedback motion.
DSGNDron	DRONE	Dusty Ringer	Menacing dark drone with resonant feedback layers and subdued distortion.
DSGNDron	DRONE	Eerie Travels	Evolving feedback drone with reverberant held tones and descending layered motion.
DSGNDron	DRONE	Hollow Horizon	Reverberated feedback drone with haunting resonance and stark tonal decay.
DSGNDron	DRONE	Iron Howl	Intense feedback drone with shifting resonances and heavy reverberant atmosphere.
DSGNDron	DRONE	Neverending Travels	Unsettling feedback drone with deep pitch dives and long reverberant tails.
DSGNDron	DRONE	Rusted Airwaves	Gritty feedback drone with exposed resonances and dark tonal interplay.
DSGNDron	DRONE	Rusted Pulses	Dissonant feedback drone with resonant layers and heavy atmospheric reverb.
DSGNDron	DRONE	The Last Note	Unsettling tonal feedback drone with shifting pitch and deep resonant presence.
DSGNDron	DRONE	Tonal Voltage	Atmospheric feedback drone with descending tonal layers and dark resonant depth.
DSGNDron	DRONE	Dangerous Path RAW	Guitar-style feedback drone with subtle resonance and evolving tonal movement.
DSGNDron	DRONE	Dusty Ringer RAW	Haunting feedback drone with interplaying layers and sustained resonant tone.
DSGNDron	DRONE	Eerie Travels RAW	Smooth tonal feedback drone with rising motion and layered haunting resonance.
DSGNDron	DRONE	Hollow Horizon RAW	Dissonant layered feedback drone with haunting tonal interplay and provoking presence.
DSGNDron	DRONE	Iron Howl RAW	Controlled feedback drone with rhythmic mechanical undertone and harsh tonal edge.
DSGNDron	DRONE	Neverending Travels RAW	Manipulated feedback drone with echoing tonal layers and eerie motion.
DSGNDron	DRONE	Rusted Airwaves RAW	Brooding melodic feedback drone with dark echoes and tonal manipulation.
DSGNDron	DRONE	Rusted Pulses RAW	Controlled chaotic feedback drone with screeching highs and resonant focus.
DSGNDron	DRONE	The Last Note RAW	Resonant feedback drone shaped by string bends and layered harmonic interplay.
DSGNDron	DRONE	Tonal Voltage RAW	Dissonant feedback drone with interplaying tonal layers and lingering resonance.
ALRMSirn	DRONE	Bastion Breach	Slow air raid siren drone with rising modulation and distant booming resonance.
ALRMSirn	DRONE	Dead City Call	Slow air raid siren with fading pitch cycles and a haunting tonal character.
ALRMSirn	DRONE	Distant Wails	Noisy layered drone with distant air raid tones and subtle foreground weather texture.
ALRMSirn	DRONE	Facility Attack	Facility alarm with sustained tonal core, subtle filtering, and accompanying ambient layer.
ALRMSirn	DRONE	Red Horizon	Reverb-drenched air raid tone with sharp filtered peaks and distant urban resonance.
ALRMSirn	DRONE	Resonant Alerts	Direct synthetic air raid drones with modulated sine movement and noisy tonal texture.
ALRMSirn	DRONE	Seige Tone	Layered air raid sirens with fast rising cycles, gritty texture, and sustained atmospheric peaks.
ALRMSirn	DRONE	Shock Siren	Piercing alert tone with bright reverberant tail and resonant high-frequency emphasis.
ALRMSirn	DRONE	Warwake	Air raid siren drone with rising and falling modulation, strained tone, and resonant low-end swells.
ALRMSirn	DRONE	Windswept Warnings	Wind-like air raid sirens with noisy tonal texture and gritty fluctuating movement.
ALRMSirn	DRONE	Bastion Breach SHIMMER	Slow air raid siren drone with shimmering modulation and sustained reverberant swells.

UCS CATID	Vendor Category	Sample Name	Description
ALRMSirn	DRONE	Dead City Call SHIMMER	Air raid drone with distant tonal shifts and atmospheric ambient texture.
ALRMSirn	DRONE	Distant Wails SHIMMER	Shimmering layered drone with distant air raid tones and sustained reverberant texture.
ALRMSirn	DRONE	Facility Attack SHIMMER	Shimmering resonant facility alarm with chorused tone and evolving ambient layer.
ALRMSirn	DRONE	Red Horizon SHIMMER	Shimmering distant air raid tone with dissonant character and sustained reverberant tail.
ALRMSirn	DRONE	Resonant Alerts SHIMMER	Shimmering synthetic air raid drones with modulated sine movement and sustained reverberant texture.
ALRMSirn	DRONE	Seige Tone SHIMMER	Shimmering layered air raid sirens with fast rising cycles and sustained reverberant peaks.
ALRMSirn	DRONE	Shock Siren SHIMMER	Shimmering alert tone with diffuse reverberation and subdued high-frequency resonance.
ALRMSirn	DRONE	Warwake SHIMMER	Shimmering air raid siren drone with dissonant modulation and resonant low-end swells.
ALRMSirn	DRONE	Windswept Warnings SHIMMER	Shimmering distant air raid sirens with windy tonal texture and softly evolving grit.
COMRadio	DRONE	Chatter in the Dark	Distorted radio chatter with heavy corruption and undiscernable military transmission.
COMRadio	DRONE	Cracked Airwaves	Radio chatter layered with heavy interference, distortion, and noise degradation.
COMRadio	DRONE	Crippled Command	Distorted broadcast voices with strong noise interference and corrupted transmission tone.
COMRadio	DRONE	Distorted Relay	Overlapping noise masking a degraded broadcast with undiscernable distorted speech.
COMRadio	DRONE	Fragmented Response	Glitched unstable radio chatter with fragmented distortion and lost intelligibility.
COMRadio	DRONE	Ghost Channel	Heavily distorted announcement transmission with warped tone and low ambient layer.
COMRadio	DRONE	Interference Protocol	Distorted noisy radio chatter with corrupted signal and undiscernable speech.
COMRadio	DRONE	Rusted Airwaves	Degraded radio broadcast with clipped distortion, ambient noise, and heavy signal decay.
COMRadio	DRONE	Scrambled Voices	Corrupted radio chatter with distorted layers, noise artifacts, and severe degradation.
COMRadio	DRONE	Signal to No One	Corrupted transmission with distorted outworldly tone and distant ambient presence.
COMRadio	DRONE	Static Command	Distorted intermittent radio chatter with noise bursts and unstable signal corruption.
COMRadio	DRONE	Transmission in Ruin	Heavily warped transmission with pulsing noise ambience and degraded tonal decay.
COMRadio	DRONE	Chatter in the Dark GLITCHED	Fragmented distorted radio chatter with stuttering corruption and broken transmission flow.
COMRadio	DRONE	Cracked Airwaves GLITCHED	Severely glitched radio chatter with heavy interference, digital stutters, and unstable distortion.
COMRadio	DRONE	Crippled Command GLITCHED	Broken distorted broadcast with repeating fragments, glitch bursts, and corrupted voice remnants.
COMRadio	DRONE	Distorted Relay GLITCHED	Overlapping distorted broadcast with glitch loops, dropouts, and fractured transmission noise.
COMRadio	DRONE	Fragmented Response GLITCHED	Unstable radio chatter with erratic glitches, distortion, and looping corrupted fragments.
COMRadio	DRONE	Ghost Channel GLITCHED	Warped announcement transmission with glitching distortions, looping fragments, and broken ambience.
COMRadio	DRONE	Interference Protocol GLITCHED	Corrupted radio chatter with digital stutters, interference bursts, and unstable repetition.
COMRadio	DRONE	Rusted Airwaves GLITCHED	Heavily degraded broadcast with looping glitches, distortion artifacts, and clipped noise layers.
COMRadio	DRONE	Scrambled Voices GLITCHED	Chaotic radio chatter with glitching distortion, stuttering layers, and repeating corrupted tones.
COMRadio	DRONE	Signal to No One GLITCHED	Outworldly distorted transmission with glitch pulses, looping resonance, and broken ambience.
COMRadio	DRONE	Static Command GLITCHED	Fragmented transmission with digital noise bursts, repeating static, and corrupted stutter effects.
COMRadio	DRONE	Transmission in Ruin GLITCHED	Severely warped transmission with glitch loops, pulsing distortion, and fractured white noise.
COMRadio	DRONE	Chatter in the Dark SHUFFLED	Disjointed low-fidelity radio chatter with uneven pacing and heavy signal decay.
COMRadio	DRONE	Cracked Airwaves SHUFFLED	Fragmented broadcast with shuffled segments, noisy distortion, and degraded clarity.
COMRadio	DRONE	Crippled Command SHUFFLED	Broken announcement transmission with low-fidelity tone and uneven fragmented delivery.
COMRadio	DRONE	Distorted Relay SHUFFLED	Disjointed distorted broadcast with shuffled fragments and muffled interference noise.
COMRadio	DRONE	Fragmented Response SHUFFLED	Degraded radio chatter with rearranged phrases, noise bursts, and unstable fidelity.
COMRadio	DRONE	Ghost Channel SHUFFLED	Warped low-fidelity announcement with disjointed distortion and degraded ambient layer.
COMRadio	DRONE	Interference Protocol SHUFFLED	Shuffled radio chatter with degraded tonal range and uneven distortion artifacts.
COMRadio	DRONE	Rusted Airwaves SHUFFLED	Low-fidelity broadcast with uneven sequencing, muffled tone, and decayed distortion.
COMRadio	DRONE	Scrambled Voices SHUFFLED	Disjointed radio chatter with shuffled segments, noise buildup, and heavy degradation.

SCORCHED EARTH

UCS CATID	Vendor Category	Sample Name	Description
COMRadio	DRONE	Signal to No One SHUFFLED	Low-fidelity distorted transmission with rearranged phrases and unstable ambience.
COMRadio	DRONE	Static Command SHUFFLED	Broken radio transmission with shuffled distorted layers and reduced clarity.
COMRadio	DRONE	Transmission in Ruin SHUFFLED	Fragmented degraded broadcast with uneven low-fidelity tone and decayed signal noise.
COMStatic	AMBIENCE	Abandoned Station BROKEN	Glitchy static drone with signal dropouts, digital crackle, and unstable modulation.
COMStatic	AMBIENCE	Broken Off Switch BROKEN	Harsh noise layer with glitch interruptions, static pops, and evolving distortion.
COMStatic	AMBIENCE	Data Swarm BROKEN	Crackling static drone with intermittent glitches and fluctuating granular motion.
COMStatic	AMBIENCE	Deactivated Input BROKEN	Hissy broken noise texture with unstable modulation and faint digital sputter.
COMStatic	AMBIENCE	Device Speaker Error BROKEN	Fragmented static layer with glitch crackle, tonal shifts, and erratic modulation.
COMStatic	AMBIENCE	Empty Radiowaves BROKEN	Crunchy static drone with evolving glitches and pulsing interference movement.
COMStatic	AMBIENCE	Industry Remnants BROKEN	Noisy drone with glitch pulses, degraded texture, and shifting tonal instability.
COMStatic	AMBIENCE	Lost Connection BROKEN	Crackling static layer with broken whirring, digital pops, and modulation drift.
COMStatic	AMBIENCE	Noise Blanket BROKEN	Distorted broadband noise with glitch interruptions and unstable granular texture.
COMStatic	AMBIENCE	Offline Forever BROKEN	Fragmented static drone with rhythmic glitches and intermittent noise breaks.
COMStatic	AMBIENCE	Seared Broadcast Tower BROKEN	Distorted static with glitch bursts and irregular modulation artifacts.
COMStatic	AMBIENCE	Sizzling Noise Fog BROKEN	Metallic static drone breaking into glitches and digital crackle over time.
COMStatic	AMBIENCE	Static Veil BROKEN	Harsh static layer interrupted by glitch pulses and evolving distortion.
COMStatic	AMBIENCE	Unsettling Layer BROKEN	Mechanical whirring noise with glitchy modulation and intermittent digital breaks.
COMStatic	AMBIENCE	Will Not Connect BROKEN	Harsh static drone with broken signal pulses and irregular tonal artifacts.
COMStatic	AMBIENCE	Abandoned Station	Static noise drone resembling lost signal with intermittent modulation and distant resonance.
COMStatic	AMBIENCE	Broken Off Switch	Harsh broadband white noise with distorted edges and minimal tonal movement.
COMStatic	AMBIENCE	Data Swarm	Dense static noise layer with fluctuating texture and granular interference.
COMStatic	AMBIENCE	Deactivated Input	Hissy white noise drone with filtered modulation and faint dynamic shifts.
COMStatic	AMBIENCE	Device Speaker Error	Broken static layer with subtle tonal shifts and intermittent digital interference.
COMStatic	AMBIENCE	Empty Radiowaves	Crunchy static drone with degraded high-frequency texture and slight tonal motion.
COMStatic	AMBIENCE	Industry Remnants	Wind-like ambience blended with broadband white noise and low mechanical undertones.
COMStatic	AMBIENCE	Lost Connection	Crackling windy static layer with constant whirring and modulated broadband noise.
COMStatic	AMBIENCE	Noise Blanket	Dense gritty noise bed with nasal tone and consistent static modulation.
COMStatic	AMBIENCE	Offline Forever	Static noise drone mimicking TV interference with coarse shifting harmonics.
COMStatic	AMBIENCE	Seared Broadcast Tower	Distorted brown-noise texture with searing static and unstable modulation.
COMStatic	AMBIENCE	Sizzling Noise Fog	Metallic static drone with fluctuating texture and faint tonal filtering.
COMStatic	AMBIENCE	Static Veil	Harsh white noise layer with compressed intensity and minimal modulation.
COMStatic	AMBIENCE	Unsettling Layer	High-pitched whirring noise over static drone with subtle mechanical modulation.
COMStatic	AMBIENCE	Will Not Connect	Harsh static drone with shifting high-frequency resonance and digital instability.
COMStatic	AMBIENCE	Abandoned Station TAPE	Dark static drone with degraded signal noise, tape hiss, and subtle modulation.
COMStatic	AMBIENCE	Broken Off Switch TAPE	Distorted broadband noise with reduced high end and gritty tape crackle.
COMStatic	AMBIENCE	Data Swarm TAPE	Static noise layer with filtered texture, analog flutter, and underlying tape grit.
COMStatic	AMBIENCE	Deactivated Input TAPE	Hissy filtered noise with soft tape saturation and reduced brightness.
COMStatic	AMBIENCE	Device Speaker Error TAPE	Broken static drone with muffled tone, crackling distortion, and low-end emphasis.
COMStatic	AMBIENCE	Empty Radiowaves TAPE	Crunchy static texture with tape hiss and darker filtered modulation.
COMStatic	AMBIENCE	Industry Remnants TAPE	Windy broadband noise layered with analog tape grain and tonal degradation.
COMStatic	AMBIENCE	Lost Connection TAPE	Crackled static drone with muffled whirring and subdued tape-modulated tone.
COMStatic	AMBIENCE	Noise Blanket TAPE	Dense low-brightness noise layer with gritty analog texture and hiss.

SCORCHED EARTH

UCS CATID	Vendor Category	Sample Name	Description
COMStatic	AMBIENCE	Offline Forever TAPE	Filtered static drone with degraded tape character and reduced signal clarity.
COMStatic	AMBIENCE	Seared Broadcast Tower TAPE	Brown-noise static with tape crackle, darker tone, and fluttering modulation.
COMStatic	AMBIENCE	Sizzling Noise Fog TAPE	Metallic noise softened by tape saturation with grainy modulation texture.
COMStatic	AMBIENCE	Static Veil TAPE	Harsh noise reduced in brightness, with warm tape hiss and compressed grit.
COMStatic	AMBIENCE	Unsettling Layer TAPE	High-frequency whir replaced by dull static and steady analog noise tone.
COMStatic	AMBIENCE	Will Not Connect TAPE	Harsh static layer darkened by tape noise and degraded tonal structure.
AMBDsgn	AMBIENCE	Above the Cyclone	Thin wind ambience with reverberant rain textures and subtle glitchy or otherworldly elements.
AMBDsgn	AMBIENCE	Blighted Darkness	Deep resonant rumble with subdued atmospheric textures and controlled sustained intensity.
AMBDsgn	AMBIENCE	Break in the Firestorm	Distant wind ambience with subdued low-end presence and an underlying sense of anticipation.
AMBDsgn	AMBIENCE	Distant Infernos	Ambient texture with distant storm-like low-end rumbles and softly layered nearby wind.
AMBDsgn	AMBIENCE	Erroded Layer	Intense ambient texture with low-end rumbles, quiet phasing wind, and subtle crackling elements.
AMBDsgn	AMBIENCE	Face Cutting Windscape	Subdued strong wind ambience with low-end rumble and indistinct phasy textures like rain or fire.
AMBDsgn	AMBIENCE	Faint Dust Gale	Subdued wind ambience with thick atmospheric layers and distant airflow
AMBDsgn	AMBIENCE	Gusts of Flame	Chaotic wind ambience with shifting resonances, faint rumbles, and intermittent whistling movement.
AMBDsgn	AMBIENCE	Hiding From Danger	Unnerving resonant ambience with wide chamber tone, repetitive movement, and subdued intensity.
AMBDsgn	AMBIENCE	Intense Surroundings	Harsh controlled wind ambience with wave-like motion, low-end rumble, and subtle radio interference.
AMBDsgn	AMBIENCE	Molten Puddles	Deep lava ambience with low-end rumble, faint bubbling, and occasional controlled high pops.
AMBDsgn	AMBIENCE	Prohibited Location	Atmospheric noise drone with reverberant mechanical tone and faint layered wind elements.
AMBDsgn	AMBIENCE	Stepping Into Disaster	Intense wind ambience with deep low-end rumble, subdued highs, and faint midrange distortion.
AMBDsgn	AMBIENCE	Thick With Smoke	Thick atmospheric texture with subtle burning or rain elements and muffled ambient movement.
AMBDsgn	AMBIENCE	Windswept Ashes	Wind ambience with layered low and mid-high tones and soft whistling movement.
AMBDsgn	AMBIENCE	Above the Cyclone DISTANT	Dissonant abstract ambience with diffuse textures and glitch-like tonal fragments.
AMBDsgn	AMBIENCE	Blighted Darkness DISTANT	Dissonant diffuse texture with low-end undercurrent and subtle abstract presence.
AMBDsgn	AMBIENCE	Break in the Firestorm DISTANT	Dissonant abstract windscape with diffuse tonal layers and distant atmospheric tension.
AMBDsgn	AMBIENCE	Distant Infernos DISTANT	Dissonant diffuse ambience with abstract low-end motion and airy distant presence.
AMBDsgn	AMBIENCE	Erroded Layer DISTANT	Dissonant diffuse ambience with low-end undercurrent and abstract phasing noise.

UCS CATID	Vendor Category	Sample Name	Description
AMBDsgn	AMBIENCE	Cold Fallout	Dark brooding tonal drone with deep resonant lows and cavernous atmospheric depth.
AMBDsgn	AMBIENCE	Desolate Path	Dark pressure ambience with distant resonant whines and prominent tonal core.
AMBDsgn	AMBIENCE	Desolate Tension	Brooding pressure drone with subdued intensity and pulsing low-end undertones.
AMBDsgn	AMBIENCE	Empty Graves	Resonant evolving drone with harmonic overtones and brooding atmospheric depth.
AMBDsgn	AMBIENCE	Faded Remnants	Resonant tonal drone with subtle midrange chimes and balanced overarching resonance.
AMBDsgn	AMBIENCE	Forgotten Dust	Dark heavy drone with slow pulsation, evolving low-end ambience, and emerging upper detail.
AMBDsgn	AMBIENCE	Isolated and Stalked	Heavy brooding drone with low-end resonance, sparse elements, and evolving muted highs.
AMBDsgn	AMBIENCE	Last Path	Dense atmospheric drone with distant resonant chimes, shifting low-end presence, and reverberant mid-high backdrop.
AMBDsgn	AMBIENCE	Silent Afterglow	Brooding ambience with rising mechanical whine, heavy low-end presence, and reverb-saturated mids and highs.
AMBDsgn	AMBIENCE	Vast and Empty	Dark ambient drone with dissonant evolving resonance, subtle low-end pulse, and wide reverberant mids and highs.
AMBDsgn	AMBIENCE	Void of Life	Industrial-style drone with subdued high-end grinding tones and dominant low-end resonance.
AMBDsgn	AMBIENCE	Waning Shadows	Tonal drone with evolving resonant harmonics, blending warm undertones and subtle dissonant alert tones.
AMBDsgn	AMBIENCE	Abandoned Cityscapes DESOLATE	Desolate metallic ambience with restrained low end and subtly dissonant industrial tone.
AMBDsgn	AMBIENCE	Ashen Stillness DESOLATE	Desolate machinery ambience with distant dissonant whines and expansive reverberant drone.
AMBDsgn	AMBIENCE	Bleak Ruins DESOLATE	Desolate dark ambience with distant low-end resonance and diffuse reverberant high tones.
AMBDsgn	AMBIENCE	Cold Fallout DESOLATE	Desolate tonal drone with wide bright resonance and distant cavernous decay.

AMBDsgn	TEXTURE	Leave Immediately FILTER	Groaning mechanical drone pulsing through slow resonant filter sweeps and modulation.
AMBDsgn	TEXTURE	Noise and Pressure FILTER	Constant industrial drone with shifting filter resonance and subtle harmonic movement.
AMBDsgn	TEXTURE	Relentless Pusher FILTER	Mechanised tonal drone shaped by cyclic filter modulation and fluctuating resonance.
AMBDsgn	TEXTURE	Static Pressure FILTER	Noisy mechanical drone with evolving filter movement and dynamic tonal shifts.
AMBDsgn	TEXTURE	Surrounded by Trouble FILTER	Harsh mechanical drone pulsing through slow filter modulation and drifting resonance.
DSGNRmbl	TEXTURE	Abandoned Lavapits ATMOSPHERIC	Airy filtered drone with faint crackles and subtle high-frequency resonance.
DSGNRmbl	TEXTURE	Beneath the Inferno ATMOSPHERIC	Light burning texture with airy flickers, high-end crackles, and reverberant width.
DSGNRmbl	TEXTURE	Comfortable Destruction ATMOSPHERIC	Soft midrange wind texture with airy width and delicate upper crackle layer.
DSGNRmbl	TEXTURE	Confronting Disaster ATMOSPHERIC	Sparse burning layer with subtle crackles and reverberant air around faint rumble.
DSGNRmbl	TEXTURE	Depth Charge Aftermath ATMOSPHERIC	Light washy texture with liquid high-end movement and spacious resonant tail.
DSGNRmbl	TEXTURE	Distant Lands Burning ATMOSPHERIC	Smooth airy layer with faint gritty motion and soft reverberant presence.
DSGNRmbl	TEXTURE	Distant Volcanic Flow ATMOSPHERIC	Resonant airy drone with softened low end and subtle high flickers.

SCORCHED EARTH

UCS CATID	Vendor Category	Sample Name	Description
DSGNRmbl	TEXTURE	Ear to the Wall ATMOSPHERIC	Distant water-like flow with airy resonance and faint reverberant crackles.
DSGNRmbl	TEXTURE	Hidden Molten Pools ATMOSPHERIC	Airy bubbling layer with gentle high-end crackles and subtle width.
DSGNRmbl	TEXTURE	Long Escaped Inferno ATMOSPHERIC	Light distant burn texture with airy movement and reverberant spaciousness.
DSGNRmbl	TEXTURE	Soothing Apocalypse ATMOSPHERIC	Airy constant texture with faint rolling resonance and soft filtered crackles.
DSGNRmbl	TEXTURE	Surge from Above ATMOSPHERIC	Subtle phasy motion with airy reverberation and scattered upper crackles.
DSGNRmbl	TEXTURE	Tectonic Issues ATMOSPHERIC	Thin resonant layer with faint granular motion and soft ambient air.
DSGNRmbl	TEXTURE	Underground Approach ATMOSPHERIC	Airy resonant drone with distant tonal shimmer and subtle reverberant field.
DSGNRmbl	TEXTURE	Unsettled Earth ATMOSPHERIC	Airy filtered layer with faint crackling texture and distant resonant movement.
DSGNRmbl	TEXTURE	Abandoned Lavapits	Very low rumbling drone with minimal high-end content and deep seismic movement.
DSGNRmbl	TEXTURE	Beneath the Inferno	Deep burning rumble with subtle flame flickers and faint upper-end motion.
DSGNRmbl	TEXTURE	Comfortable Destruction	Quiet low-passed wind layer over tense low-frequency rumbling drone.
DSGNRmbl	TEXTURE	Confronting Disaster	Pulsating low-end rumble with faint burning layer and occasional sparse crackles.
DSGNRmbl	TEXTURE	Depth Charge Aftermath	Liquid low-end rumble with subtle crackles and washy resonant undertones.
DSGNRmbl	TEXTURE	Distant Lands Burning	Smooth low-frequency rumble with gritty texture and wide subterranean tone.
DSGNRmbl	TEXTURE	Distant Volcanic Flow	Low resonant drone with wide subterranean depth and evolving tonal movement.
DSGNRmbl	TEXTURE	Ear to the Wall	Low-passed deep drone with water-like sub flow and subtle rumbling texture.
DSGNRmbl	TEXTURE	Hidden Molten Pools	Thick molten bubbling drone with restrained low end and muted high detail.
DSGNRmbl	TEXTURE	Long Escaped Inferno	Controlled constant low rumble resembling distant fire with subtle airy undertone.
DSGNRmbl	TEXTURE	Soothing Apocalypse	Rolling constant low-frequency rumble with minimal high-end and smooth texture.
DSGNRmbl	TEXTURE	Surge from Above	Subtle low rumble with faint phasy storm-like motion in the high end.
DSGNRmbl	TEXTURE	Tectonic Issues	Deep seismic drone with faint granular movement and limited high-frequency information.
DSGNRmbl	TEXTURE	Underground Approach	Wide low-end rumble with gritty tonal texture and distant resonant movement.
DSGNRmbl	TEXTURE	Unsettled Earth	Deep distorted low-end drone with crunchy movement and minimal high-frequency detail.
